

DRIVER CPC CONTRACT

Industry guide lines are £125-£200 + VAT per person per day plus travel. These fees are for uplifting all training records to enable you to receive your DQC card, administration and the delivery of training.

However, we would like to note that Sigma Studies Ltd values your custom, and we have adjusted our costs accordingly due to the current economic climate, as follows:

Drivers

- 1 to 4 candidates = £106.25 per candidate
- 5 to 10 candidates 20% discount = £ 91.25 per candidate
- 10+ candidates 25% discount = £ 85.00 per candidate
- Corporate bookings = £600.00 per day

(the above prices do **not** include the £8.75 upload fee per driver)

Train the Trainer Courses

- 'Basic' 2-day Course - £800.00 per person
- 'All In' 5-day Course - £1,300.00 per person
- There will be a further annual fee of £500.00 incurred within the 'All In' as your training program would be implemented under the Sigma banner and includes JAUPT fees and Sigma monitoring

SAFED – Safe and Fuel Efficient Driving & Advanced Driver Training

- £300.00 ratio 1:1 / £450.00 ratio 2:1 (PSV ONLY) **£375.00 ratio 3:1**
- The above costs are based on a day rate and are subject to the proviso of an appropriate vehicle

(the above prices **do include** the £8.75 upload fee per driver)

All the above costs are plus VAT, with lunch supplied if training takes place at our premises. There will be an additional cost for travel if in-house training is to be undertaken (rate to be confirmed).

By signing this contract it is agreed that an additional **2.5%** discount will be applied to the above costings:

_____ agrees to use **Sigma Studies Limited** as their Driver CPC training

provider for the duration of 60 months from _____ 200_ to _____ 20__

Please sign and date returning to Sigma Studies Limited duly signed.
